

WESTRIDGE WORLD

December 2024

Editor: Dean Schilling (newsletter@westridgeestates.net)

Well, it looks like nobody had any stories or pictures for the December newsletter, but I do have a couple of public service announcements.

Please bring in your trash cans. It looks like WM won't pick up last weeks trash until next week. Do I sense an opportunity for someone the contact WM and ask for a statement credit???

Don't forget to pay your HOA bills, per the email you should have received from Elsa.
